

# JUDAH TABERNACLE 2026

## “The Year of Divine Identity and Release”

The number **26** is about **biblical alignment**. The Hebrew consonants (Yod), ה (He), ו (Vav), and ה (He) spell YHWH. The numeric value of these letters is 10, 5, 6, 5, which, added together, equal 26, the number of **God’s revealed presence, covenant authority, and active involvement with His people**.

Adam’s numeric value is **45**, and Eve’s is **19**. Scripture states that God made Eve using a rib He took (*subtracted*) from Adam. By subtracting the value of Eve's name (19) from Adam's (45), you get 26, aligning with Genesis 1:26, the moment God released **image and dominion**.

Adam is of the first generation, and Moses is of the 26<sup>th</sup> Generation. Moses confronted systems, led people out of bondage, and tabernacled with God.

In 26 A.D., Jesus began his ministry, which also marked the start of a Jubilee year (Luke 4:18-19), signifying **freedom, restoration, debt release, and a return to a rightful inheritance**.

**Thus saith the Lord: 2026 is the year of Divine Identity, Divine movement, and released dominion.** This number is **God’s Name – YHWH** – The covenant-keeping God. The God who dwells with His people. And in this year, God is making His presence undeniable.

Like **Adam**, God is restoring you to His image. You will no longer strive to be who He already formed you to be. God is restoring identity before activity and dominion before expansion.

Like **Moses**, God is trusting you to move with Him. You will not be bound to structures, limited by systems, or intimidated by opposition. God will teach you to follow His presence and will tabernacle with you wherever you go.

Like **Jesus**, Seasons will shift to a Jubilee moment. Chains will break. Leaders will breathe again. Purpose will be restored. Inheritance will be reclaimed, and what was once delayed is now released.

Do not fear transition. Do not mistake change for loss.

God’s presence is with you. He placed His Name upon Judah again. His presence will lead you. His power will back you. His purpose will define you.

God will finish what He started – reclaiming and releasing. **2026 is the year of Immanuel — God with you, God for you, and God moving through you.**

He that hath an ear, let him hear what the Spirit is saying to the church.
